Privacy Policy

PU-Products Privacy Statement

This statement discloses the privacy practice for the Web Site of PU-Products, LLC.

It is our intent to give you as much control as possible over your privacy in regard to your personal information and the use we make of it in the course of our business. In general you can visit PU-Products, LLC on the Web Site without telling us who you are or revealing any information about yourself.

What Information We Gather

There are times when we may need information from you, particularly when you contact us with the intent of receiving additional information or while you are in the process of placing an on-line order.

When you submit information to us, we endeavor to protect such information against unauthorized disclosures by using secure technologies. Your information is strictly for PU-Products, LLC use only, and we do not share it with other companies or third parties, unless compelled by law or court order to do so.

What We Do With The Information We Gather

The information gathered from the forms you fill out is used in one of three ways:
To provide you with information about our products, services, news and events, to allow you to purchase products and to gather broad demographic information about user trends.

We will not sell your personally identifiable information to an unrelated third party.

Subject to the foregoing, PU-Products, LLC uses your personally identifying information in several ways:

>to customize various aspects of the Services to your preferences; to send to you PU-Products, LLC solicitations, product announcements, and the like that we feel may be of interest to you. (you may 'opt-out' of receiving these materials, as provided below);

>to send to you certain email messages that are critical to your use of the Services, such as order status, order confirmations, package tracking. (because these messages contain important information, you may not be able to 'opt-out' of receiving such messages.)

In addition to circumstances described above, PU-Products, LLC, may disclose your personally identifiable information to third parties as follows;

>to drop ship an order from a supplier in partnership with PU-Products, LLC
>to provide credit card information in order to complete a transaction between us and the credit card financial institution. Your information is used solely to verify your identity and process transactions and nothing more.
>All information made available to PU-Products, LLC may be made available to our consultants, professional advisors (such as attorneys or accountants), but only to the extent necessary for them to perform services on our behalf, and only under a duty of confidentiality.

Opt-In or Out

You may choose to 'opt-in' or 'opt-out' to receive promotional materials from PU-Products, LLC, our affiliates, advertisers or other business partners. You may change your status with respect to such materials at any time by contacting us at privacy@pu-products.com

Deleting or Correcting Personal Information

If you would like to correct an error in your personal information, or delete your information; please contact us at privacy@pu-products.com, and we will use reasonable efforts to comply with your request. Keep in mind, however, that there will be residual information that will remain within PU-Products, LLC databases, access logs, and other records, which may or may not contain such personally identifiable information. The residual information will not be used for commercial purposes, however PU-Products, LLC reserves the right, from time to time, to re-contact former customers or users of PU-Products, LLC

Contacting Us About Privacy

If you have any questions about this privacy statement, the practices of this site, or your dealings with this Web Site, you may contact: privacy@pu-products.com
