## PRESS RELEASE – MAY 09

### QWIK RAX SYSTEM

**PU-Products, LLC** is pleased to announce our newest product: THE **QWIK RAX SYSTEM**

Designed specifically to hold our exclusive 5-gallon, 2 handled utility jug securely in a variety of mounting applications and not to forget Jerry Cans, Coolers, Bikes!

The **QWIK RAX JUG HOLDER** holds the jug in place by utilizing the indented ribs of the utility jug. Made of 1 inch, formed steel tubing and powder coated in black, the **QWIK RAX** features several 5/16 inch holes on three sides and the bottom so that it can be mounted almost anywhere and in any direction. For example, on a tailgate, truck bed, outside or inside an off-road vehicle and more. Two or more **QWIK RAX** can be mounted next to each other to create a 'bank' of jugs!

A locking steel handle secures the jug and the variety of slots and holes, will allow you to use stretch straps, such as our ROK™Straps

The **QWIK RAX** can also be paired with our **Spare Back Board Strap-on**. Mounts quickly in under 3 minutes over your spare tire on most all vehicles. Allowing you to carry your cooler and extra jug easily and securely on the back of your Jeep, F.J. , Suzuki, Hummer and other vehicles.

MSRP Starting at \$149 Available from PU-Products
